## The Year is Half Over?

Hello again, Thespians, and happy Thanksgiving! There is only a month left of the first semester, and so many fantastic events have already happened. For starters, a big shout out to *Medea*, the amazing mainstage theatre production. Another shout out goes to *Almost, Maine*, which had a great run in the Black Box. And yet another for the Fall Dance Concert, *Home*. Many more DSA performance events are happening all over the place, and as thespians we should support them all!

## DRAMA DAY

If you plan on attending Nationals, you need to sign up to help teach on December 1<sup>st</sup>.

Drama Day is our annual fundraiser for the bus to Nationals in Lincoln, Nebraska. We will be teaching a variety of theatre related workshops to kids in 3-6 grade.

Anyone in this age range is allowed to come, so invite your friends and family! It's \$45 for a full day, 8:30-3:15, of theatre fun.

Goodbye for now! See you at State!
